Even if you did not initially request band on your course request form, please visit our website: [www.milweeband.com](http://www.milweeband.com) and click on “Greetings/Getting Started” and click to read the “Greetings Letter to Prospective Milwee Student & Parents”. You may also share your interest with us by sending an email to Milwee’s Director of Bands at [joshua\\_autrey@scps.k12.fl.us](mailto:joshua_autrey@scps.k12.fl.us) with the subject line “New to Milwee Band”.

Mr. Autrey will respond with vital information about **summer band camp, getting fitted for your instrument, and how our program works!**

We accept all students regardless of prior band/music experience. Our beginning band class is for all aspiring musicians! You do NOT need to attend summer band camp to join our program, however summer band camp is highly recommended as it allows students a head start over the summer!

Please see the following information about summer band camp.

Hope to hear from you soon!
